

## 160 mm Insulated Diagonal Cutter – Classic

### Basic data:

|      |               |
|------|---------------|
| ID   | 0001650013    |
| GTIN | 7630268421380 |

### Features:

- For soft and hard wire
- Up to Ø 3,0 mm soft wire and Ø 2,3 mm hard wire
- High precise cutting edges for all-round use
- Clean cutting of thin copper wires

### Technical data:

|                              |               |
|------------------------------|---------------|
| Shape:                       | Standard      |
| Length:                      | 167 mm        |
| Cutting edge length:         | 20 mm         |
| Head width:                  | 22 mm         |
| Head height:                 | 11 mm         |
| Insulated:                   | Yes           |
| Isolation protection 1000 V: | Yes           |
| Handle cover:                | Plastic grips |
| Surface protection:          | lacquered     |
